Randomly-placed Colour

234x156–297x210

price per book, minimum order 100, Munken Vol.18/80gsm Opaque:

£1.16 + 1.6p per mono page
+11p per colour page

Example: A 100 pp. A4 book including 10 pp. of colour would cost £3.70 per copy.

Speciality papers extra if required.

Note: when preparing copy for randomly-placed colour please ensure there is no 'hidden' colour. The usual culprits are RGB halftones that look like monochrome and trim and register marks that print in CMYK. Please prepare the PDF without trim marks and (if possible) use preflight software to check for hidden colour.

We will inform you at proof stage of the number of pages that will be charged at the colour 'click' rate.
