Imprint Academic user licence

Articles published under an Imprint Academic user licence are protected by copyright. Users may access, download, copy, translate, text and data mine (but may not redistribute, display or adapt) the articles for non-commercial purposes provided that users:

- Cite the article using an appropriate bibliographic citation (i.e. author(s), journal, article title, volume, issue, page numbers, DOI and the link to the definitive published version on IngentaConnect)
- Maintain the integrity of the article
- Retain copyright notices and links to these terms and conditions so it is clear to other users what can and cannot be done with the article
- Ensure that, for any content in the article that is identified as belonging to a third party, any re-use complies with the copyright policies of that third party
- Any translations, for which a prior translation agreement with Imprint Academic has not been established, must prominently display the statement: *"This is an unofficial translation of an article that appeared in an Imprint Academic publication. Imprint Academic has not endorsed this translation."*

For permission to use documents beyond permitted here, contact the relevant journal editor.

This is a non-commercial licence where the use of published articles for commercial purposes is prohibited. Commercial purposes include:

- Copying or downloading articles, or linking to such postings, for further redistribution, sale or licensing, for a fee
- Copying, downloading or posting by a site or service that incorporates advertising with such content
- The inclusion or incorporation of article content in other works or services (other than normal quotations with an appropriate citation) that is then available for sale or licensing, for a fee
- Use of articles or article content (other than normal quotations with appropriate citation) by for-profit organizations for promotional purposes, whether for a fee or otherwise.
- Use for the purposes of monetary reward by means of sale, resale, licence, loan, transfer or other form of commercial exploitation.
